

Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3095

Introduced by HONORABLE STRIKE B. REVILLA

EXPLANATORY NOTE

In the 1987 Constitution, Article 14, Section 1 mandates:

“Sec. 1. The State shall protect and promote the right of all citizens to quality education at all levels and shall take appropriate steps to make such education accessible to all.”

Moreover, the same Article, Section 2, paragraphs (1) and (2) provides:

“Sec. 2. The State shall:

1. Establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society;
2. Establish and maintain a system of free public education in the elementary and high school levels. x x x”

In the City of Bacoor right now, there are seven public high schools (one mother school and six annex schools) catering to the educational needs of the high school students.

Unfortunately, being annex schools, they do not have their own identity, they do not have their own plantilla of positions and most especially, they do not have their own budget.

This fact limits the schools to maximize and exhaust their capacities to educate and teach our high school students.

This bill seeks to separate and convert the annex school from their mother school and convert it to a regular national high school.
