Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  
EIGHTEENTH CONGRESS  
First Regular Session  
HOUSE BILL NO. 3106

Introduced by Honorable ABRAHAM “BAMBOL” N. TOLENTINO

EXPLANATORY NOTE

Barangay officials are expected to perform their mandated duties and responsibilities at the community level by maintaining public order, enforcing laws and ordinances, and by promoting the general welfare of the community, among others. They are considered the forefront of their constituents, representing the grassroots level.

Although they are the sector closest to the people, they are the most underappreciated, including in terms of salary and benefits. They are tedious workers and optimize their resources despite limited funding. With this said, it is only right that the State duly recognize their efforts with granting them well-deserved benefits and incentives to help ensure faithful performance of their duties and responsibilities as well as to raise their quality of life.

This bill proposes tax exemption of barangay officials, including Tanods and members of the Lupong Tagapamayapa, with regards to all amounts received. Moreover, barangay officials and employees shall be considered members of the Government Service Insurance System and shall be covered with life insurance and social security protection. They shall also receive benefits of government medical and health insurance programs and legal representation.
These government officials are given the arduous task of maintaining order at the community level as well as serving their constituents. Hence, this proposed bill aims to acknowledge their effort in overseeing their respective communities.
