EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3114

Introduced by: HON. “KUYA” JOSE ANTONIO R. SY-ALVARADO

AN ACT
INSTITUTIONALING MALASAKIT CENTERS TO COMPLEMENT THE
IMPLEMENTATION OF REPUBLIC ACT NO. 11223 OTHERWISE KNOWN AS
THE “UNIVERSAL HEALTH CARE ACT” BY REQUIRING PHILHEALTH TO
ESTABLISH, OPERATE AND MAINTAIN MALASAKIT CENTERS IN ALL DOH,
LGU, SUC and DND HOSPITALS IN THE COUNTRY, PROVIDING FUNDS
THEREFOR, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Article XIII Section 11 of the Constitution provides that, “The State shall adopt an
integrated and comprehensive approach to health development which shall endeavor to make
essential goods, health and other social services available to all the people at affordable cost.
There shall be priority for the needs of the underprivileged sick, elderly, disabled, women, and
children. The State shall endeavor to provide free medical care to paupers.”

The policy of the state is clear but in the present status quo, people in our country travel
from one government office to another just to avail financial assistance for their healthcare
needs and medical bills, especially those from poor families. Funds for health and other social
services are available but they need to accomplish lots of paperwork before receiving financial
assistance. The process will not only cost them out-of-pocket expenditures but also time.

In an attempt to establish a way of hastening the delivery of free medical services to
indigent patients, and instilling to Filipino families that health care is not only for the rich, but
a priority for everyone, a program wherein patients are assisted in availing themselves of the
services and financial assistance provided by the Philippine Charity Sweepstakes Office
(PCSO), the Philippine Amusement and Games Corporation (PAGCOR), and the Department
of Social Welfare and Development (DSWD) was devised and launched dubbed as “Malasakit
Center”.

The Malasakit Center, a one-stop shop in a public hospital that houses desk
representatives from the Department of Social Welfare and Development (DSWD), Philippine
Health Insurance Corporation (PhilHealth), Philippine Charity Sweepstakes Office (PCSO)
and the Department of Health (DoH), is indeed a revolutionary way to get rid of red tapes.
The Malasakit Center program needs to be adopted in all DOH, LGU, DND and SUC hospitals in the country.

Thus, the approval of this bill is earnestly sought.
