1ST Legislative District of Agusan del Sur.

"AN ACT GRANTING SENIOR CITIZENS A SPECIAL PRIVILEGE OF
FREE MOVIE-ACCESS IN ALL OPERATING MOVIE THEATERS OR
CINEMAS NATIONWIDE"

Explanatory Note

This bill is for the purpose of giving significance to one of the most
important figures in our community – the Senior Citizens.

Their existence up to their twilight years is in itself exemplary by
standing as the living foundation of our history, our families, and our
country. Their simple being helped preserve the sense of morality of
each individual and families which in turn is a reflection of our virtuous
outlook in the society.

Free movie access is already practiced in some Local Government
Units (LGUs) particularly in Metro Manila. However, the privilege is
limited within their respective LGUs. This bill sought to further value our
Senior Citizens with a special privilege of free movie-access anywhere in
the country that will provide them wider latitude to enjoy said privilege.

This bill is also significant for Senior Citizens given the kind of
world we are living – a technology driven fast-paced globalizing world –
that creates generation gap in geometric fashion. Movies will not only provide entertainment for elderlies but, more importantly, become a source of their socialization to an unfolding new world our elderlies would otherwise find alien. This will significantly bridge the perennial generation gap that besets every generation and keep them an integral and significant part of the changing world.

Furthermore, in this age where every person's business is inevitably taken over by hectic demands of work, there is a tendency for our elderlies to suffer from neglect. The State in its capacity as the ultimate parens patriae beginning with our forefathers, have the obligation to fill in the gaps. While this initiative is not a win-all solution it will greatly contribute in our Senior Citizens quality of life, well-being and self-worth even as they approach their twilight years.

In view of the foregoing, immediate passage of this bill is earnestly sought.
