AN ACT PROVIDING FREE INSURANCE FOR COVERED APPLICANTS OF OVERSEAS EMPLOYMENT CERTIFICATES, APPROPRIATING FUNDS THEREFOR AND FOR OTHER PURPOSES

EXPLANATORY NOTE

From April to September 2018, the Philippine Statistics Authority (PSA) accounts over 2.3 million Overseas Filipino Workers (OFWs)\(^1\) who worked abroad at any time during the said period, excluding Filipino migrant workers who are permanent residents or citizens of another country.

However, the Overseas Workers Welfare Administration’s (OWWA) reported only 1,315,584 members during that period in 2018. This means there was an almost one million unaccounted OFWs deployed abroad deprived of welfare protection and assistance on employer concerns.

Consider the incident of 22 Filipino truck drivers who suffered from social dumping and wage exploitation in Padborg, Denmark.\(^2\) The Philippine Overseas Employment Agency (POEA) confessed during the Senate hearing of the issue that

---

the drivers were undocumented, unmonitored, and were only given attention to after media outlets raised their situation to the Embassy.\textsuperscript{3} This is but one of the many cases of OFWs who did not go through the procedures of POEA and were abused by their employers.

Hence, an incentive is necessary for OFWs who haven't registered their membership with OWWA after their initial deployment or who have transferred to another country by way of third-country recruitment to register with the POEA or the Philippine Embassy abroad and get their corresponding overseas employment certificates (OECs).

Given the abovementioned concerns, this bill aims to provide free insurance coverage to all OFWs who apply for OEC. This way, undocumented OFWs will be granted incentives in obtaining proper documentation so that they, too, can receive the benefits and protection guaranteed to them by the State. This bill will also aid the government in devising a system for the proper monitoring OFWs abroad and ensuring their protection from human trafficking and abuses.

With this, the immediate enactment of this bill is earnestly requested.
