EXPLANATORY NOTE

Section 1, Article XIV of the 1987 Philippine Constitution provides that "[t]he State shall protect and promote the right of all citizens to quality education at all levels, and shall take appropriate steps to make such education accessible to all." Corollarily, Republic Act No. 10931 or the Universal Access to Quality Tertiary Education Act was passed in 2017. It declared that quality education is an inalienable right of all Filipinos.

Hence, the State shall protect and promote quality education to all Filipinos. Furthermore, Section 11 of Presidential Decree No. 1341 or the Charter Creating the Polytechnic University of the Philippines provides that "[i]t shall be the concern of the University to disperse its programs in the countryside through a system of regional branches."

To fulfill and effectively deliver the foregoing mandate and the State’s promise of accessible, quality education to all Filipinos, this bill seeks the establishment of Polytechnic University of the Philippines – Leyte Campus in the Province of Leyte – to be known as PUP–Leyte Campus. Through this bill, PUP–Leyte Campus will primarily offer higher professional and technical instructions and training to countryside students in the fields of agriculture, arts and sciences, education, business and commerce, applied sciences, social sciences, and other degree courses.

The operation of the PUP–Leyte Campus shall be funded by the National Government’s General Appropriation Act (GAA).
