AN ACT
EXCLUDING 13TH MONTH PAY FROM THE COMPUTATION OF TAXABLE
INCOME, AMENDING FOR THIS PURPOSE SECTION 32 (B) (7) (e) OF THE
NATIONAL INTERNAL REVENUE CODE OF 1997, AS AMENDED

EXPLANATORY NOTE

It is the policy of the State to promote a just and dynamic social order that will ensure
the prosperity and independence of the nation and free the people from poverty through
policies that provide adequate social services, promote full employment, a rising standard of
living, and an improved quality of life for all.

It is with the same objective that this measure is being proposed. This bill seeks to
exclude the 13th month pay from the computation of taxable income amending for the
purpose Section 32 (B) (7) (e) of the National Internal Revenue Code of 1997, as amended.
This would help cushion the diminishing purchasing power of employees and workers both in
the private and public sector thereby increasing their disposable income.

The intent of the law in providing for a mandatory 13th month pay to all employees is
to provide the working masses additional income in time for the celebration of Christmas and
New Year. Therefore, subjecting the same to income tax would defeat the very purpose of the
law.

The amount to be excluded from the computation of taxable income would mean
greater financial flexibility for employees and would put more food on the table and help
ensure their children’s education.

The proposed legislation will benefit an estimated 42.2 million employees from the
private and public sector.

Hence, immediate passage of this bill is earnestly sought.
