HOUSE BILL NO. 3520

Introduced by Representative Michael L. Romero

EXPLANATORY NOTE

In the republic of the Philippines, Child Labor is the employment of children in hazardous occupations below the age of eighteen (18), or without the proper conditions and requirements below the age of fifteen (15), where children are compelled to work on a regular basis to earn a living for themselves and their families, and as a result are disadvantaged educationally and socially.

The Philippine Statistics Office (PSA) has said there are currently around 5.5 million child laborers aged 5–17 in the country, around 3 million of whom are exposed to environments that are considered hazardous.

The International Labor Organization estimates that 55.3% of these children undertake hazardous work in an agricultural setting.

This House Bill seeks to protect and rehabilitate children gravely threatened or endangered by circumstances which affect or will affect their survival and normal development and over which they have no control.

Thus, the early passage of this bill is earnestly requested.
