PURPOSES

EXPLANATORY NOTE

This bill proposes the creation of Zamboanga City Ports Authority in Zamboanga City
in order to achieve an efficient, safe and economical and coordinated system of movement of
goods and persons in the entire Zamboanga Peninsula and other parts of the country particularly
coming from Cebu, Davao and Metro Manila.

It is imperative to establish the Zamboanga City Ports Authority because of Zamboanga
City’s strategic location and being the commercial and industrial center of the Western
Mindanao. The creation of this Authority will optimize efficiency and streamline port
operations that will pave way for more development and progress for the benefit of our
constituents.

Currently, the Port of Zamboanga is the center for sardine exports to the United States,
Europe, Middle East and the Far East. There are twenty-five (25) shipping lines that operate
via the port, serviced by four (4) shipyards operating within the port and Zamboanga City. The
Seaport of Zamboanga has nineteen (19) docks, twelve (12) of which are privately owned. The
largest dock has capacity for up to twenty (20) vessels, and is operated by the Philippine Ports
Authority (PPA). Also, Philippine 2GO Ferries have one ferry a week sailing to & from Manila
to Zamboanga City via Dipolog and Dumaguete. The Port of Zamboanga, an international port
of entry, also features Aleson Shipping Lines, a scheduled passenger ferry going to & from
Sandakan, Malaysia.

In view of the foregoing, approval of this bill is earnestly sought.
