Republic of the Philippines

HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 3546

Introduced by Representative Florida P. Robes

EXPLANATORY NOTE

This bill seeks to divide Barangay Muzon into two (2) distinct and independent Barangays.

Section 386 of the Local Government Code provides that a barangay maybe created if the following requisites are complied with: (i) at least two thousand (2,000) inhabitants as certified by the National Statistics Office except in cities and municipalities within Metro Manila and other metropolitan political subdivisions or in highly urbanized cities where such territory shall have a certified population of at least five thousand (5,000) inhabitants. Provided that the creation thereof shall not reduce the population of the original Barangay or Barangays to less than the minimum requirement prescribed herein.

As San Jose Del Monte City’s most populous, with a population of more than a hundred thousand, the splitting of Barangay Muzon into two (2) distinct and independent political units will not alter its administrative status. The area which is to be separated from shall be called Barangay Pahay 2000. The rationale behind the splitting are to improve the delivery of services and to effectively manage the resources.

Thus, in view of the foregoing, the passage of this measure is being earnestly sought.
