HOUSE BILL NO. 3637

Introduced by: HON. “KUYA” JOSE ANTONIO R. SY-ALVARADO

AN ACT CREATING THE DEPARTMENT OF OVERSEAS FILIPINOS, DEFINING ITS POWERS AND FUNCTIONS, APPROPRIATING FUNDS THEREFOR, RATIONALIZING THE ORGANIZATION AND FUNCTIONS OF GOVERNMENT AGENCIES RELATED TO MIGRATION, AND FOR OTHER PURPOSES

EXPLANATORY NOTE

The sacrifices Filipino people working abroad or overseas Filipino workers (OFWs) make just to provide a better life for their families earned them the title of the nation’s modern-day heroes. The improvement of the Philippine economy often attributed to their remittances further cemented their mark in the country.

According to the reports made by the Bangko Sentral ng Pilipinas (BSP), cash remittances from both sea- and land-based overseas Filipino workers have amounted to a record high of $32.21 billion. Personal remittances remained a major driver of domestic consumption, accounting for 9.7 percent of gross domestic product (GDP) and 8.1 percent of the gross national income (GNI) in 2018.

But our modern day heroes are also facing their own occupational hazards and working in a foreign environment multiplies the physical and emotional risks exponentially. OFWs also face the risk of being a victim of abuse and violence.

The Philippine government should enhance assistance programs to address these challenging situations. The State must also formulate an integrated program for the promotion of the welfare of Filipinos overseas for implementation by suitable existing agencies. Currently, there are existing agencies that have mandates relative to overseas employment namely: the Department of Labor and Employment (DOLE), the Philippine Overseas Employment Agency (POEA), the Overseas Workers Welfare Administration (OWWA), and the Department of Foreign Affairs - Office of the Undersecretary for Migrant Workers Affairs (DFA-OMUXA).

But issues connected to abuse and violence, illegal recruitment, lack of initiative to educate and prepare OFWs and their families about the risks, non-allocation of the government to conduct research to alleviate and mitigate risks and anticipate new risks, insufficient benefits and support system, lack of assistance programs, lack of policies and measures to promote and protect the rights of OFWs, necessitates the creation of a commission or department that shall function as a direct coordinating body that will strengthen the mandates of existing agencies to promote the welfare of Filipinos overseas with respect to their rights and interests.

Thus, the approval of this bill is earnestly sought.
