EXPLANATORY NOTE

Section 384 of Republic Act No. 7160, otherwise known as the “Local Government Code of 1991,” provides:

“SEC. 384. Role of the Barangay. — As the basic political unit, the barangay serves as the primary planning and implementing unit of government policies, plans, programs, projects, and activities in the community, and as a forum wherein the collective views of the people may be expressed, crystallized and considered, and where disputes may be amicably settled.”

Given the important role that the basic political unit performs, this proposed measure, to be known as the Creation of Barangay Luinab, intends to enable the barangay to better perform its mandate of delivering basic services and facilities to their respective communities in the most efficient, responsive and sustainable manner.

Iligan City has forty-four (44) barangays, six (6) of which were created by an Ordinance of the Local Government unit. These six barangays, including Luinab, are solely dependent on the subsidy given by the City and does not receive any support from the national government.

Of these six barangays, there are four (4) areas where a high concentration of Internally-Displaced Persons (IDPs) from Marawi City who were victims of the Marawi Siege were relocated and chose to relocate, namely Luinab, Hinaplanon, Ditucalan and Ubaldo Laya primarily because these are the areas where there are many Iligan-Maranao residents and the IDPs of Marawi City would understandably be staying with their relatives in these barangays.

Furthermore, this measure seeks to promote the welfare of the barangay by ensuring that the barangay enjoy genuine and meaningful local autonomy and attain full development, namely: automated release of their share from national taxes; transfer of funds to the barangay for the maintenance of roads and bridges; mandatory share of the barangay in taxes, fees and other charges in order to meet the requirements of their local populace as well as to alleviate the economic and social plight of the IDPs currently residing in the area.

In view of the foregoing, passage of this bill is earnestly sought.
