EIGHTEENTH CONGRESS  
First Regular Session  

House Bill No. 4014

Introduced by HON. HENRY R. VILLARICA  
4th District, Bulacan

Free access to the courts and quasi-judicial bodies should be provided for all Filipino citizens. Adequate legal assistance should be granted to all those in need. Based on these constitutional principles the Public Attorney’s Office was established to represent all indigent persons in civil, administrative and criminal cases.

To enable the PAO to function pursuant to its mandate, it qualified “indigent” using the following parameters: 1.) residents of Metro Manila whose family income does not exceed P14,000.00 a month; 2.) residents of other cities whose family income does not exceed P13,000.00 a month; and, 3.) residents of all other places whose family income does not exceed P12,000 a month.

Considering that the these parameters are no longer realistic and practicable under the present circumstances as these were based on poverty threshold data culled years ago, this bill seeks to re-define “indigent” persons for purposes of the PAO.

This bill was filed during the 17th Congress but due to time constraints no further action was taken on it. This is re-filed for the consideration of the 18th Congress.

Support for the enactment of this proposed measure is earnestly requested.
