House Bill No. 4104

EXPLANATORY NOTE

REPUBLIC ACT NO. 10640 entitled AN ACT TO FURTHER STRENGTHEN THE ANTI-DRUG CAMPAIGN OF THE GOVERNMENT, AMENDING FOR THE PURPOSE SECTION 21 OF REPUBLIC ACT NO. 9165, OTHERWISE KNOWN AS THE "COMPREHENSIVE DANGEROUS DRUGS ACT OF 2002" was enacted into law last July 2014. With this, the Dangerous Drugs Act was further amended. One of these amendments was in connection with Section 21 of the Dangerous Drugs Act in connection with the inventory and documentation of the operation wherein members of the media who accompany raids are being required to sign the inventory of confiscated items and at times being called on to testify as witnesses during the hearings for these drug cases.

This requirement put media personnel at greater risks because they are made to become parties to the case as witnesses The National Union of Journalists of the Philippines (NUJP) has already issued a resolution asking the government not to require the media as a witness on its anti-drug operations.

The NUJP further stressed that "the presence of media members in raids and apprehensions against illegal drugs should be limited to coverage for journalism purposes" and that "Even if a witness from media in the inventory and documentation of confiscated drugs and paraphernalia in raids and apprehensions is not mandatory, they are still tapped as a witness in anti-drug operations".

In view of the foregoing, immediate approval of this measure is earnestly requested.
