Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City, Philippines

EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 4225

INTRODUCED BY REP. ISAGANI S. AMATONG
3rd District, Zamboanga del Norte

EXPLANATORY NOTE

This bill seeks to separate the Sibuco National High School – Lunday Annex in Barangay Lunday, Municipality of Sibuco, Province of Zamboanga del Norte converting it into an independent national high school to be known as Lunday National High School.

The Municipality of Sibuco is located in the southernmost part of the province of Zamboanga del Norte bordering both Zamboanga City and the province of Zamboanga Sibugay. It lies in vast forestal, agricultural and coastal areas. Among the twelve towns of the third congressional district office of Zamboanga del Norte, Sibuco has the largest land area with diverse cultural heritage.

Better education is necessary in order to go ahead in life and attain success. It helps one build confidence, positive outlook and better opportunities. However, it can be attained only by providing our citizenry easy access to school that is equipped to become an avenue for learning. As such, the government efforts to eradicate illiteracy, poverty, social inequity, even counter insurgency and cultural indifferences will be enhanced.

The separation of Lunday National High School is perceived to provide the local education system the needed boost for a community where most of its inhabitants are underserved, if not unserved. Among the 67 municipalities in Zamboanga Peninsula, Sibuco emerged as the poorest municipality with a whopping 80 percent poverty incidence. Based on the Department of Social Welfare and Development Listahanan Program data of 2016, out of the 7,981 households 6,391 were identified as poor.

Providing citizens with equal opportunity and quality education that they deserve is a must in order to achieve the constitutional guarantee to establish, maintain and support a complete, adequate and integrated system of education relevant to the needs of the people and society, as enshrined in Art. XIV, Sec. 2 (1) of the Constitution.

Unity has been progressively forged in the area and education has shown that mutual respect and understanding is the way towards progress and emancipation from ignorance and poverty. It must therefore be strengthened, made more accessible, to all the youth in the area in preparation for their future task in community and nation building.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
