EIGHTEENTH CONGRESS  
First Regular Session  

HOUSE BILL NO. 4250  

Introduced by HON. JOY MYRA S. TAMBUNTING  

AN ACT TO ESTABLISH THE MAGNA CARTA FOR BARANGAYS  

EXPLANATORY NOTE  

The barangay is the basic political unit under the Local Government Code, its role as stated in the said Act involves planning and implementation government policies, plans, programs, projects, and activities in the community. It is responsible for the delivery of basic government services. Further, the barangay is also an instrument of grassroots governance. It serves as a forum wherein the collective views of the people may be expressed, crystallized and considered and where disputes may be amicably settled.

Pursuant to the policy of the State to guarantee and promote the autonomy of local government units, the barangay needs to be empowered and capacitated to allow for its fullest development as a self-reliant unit. It is also important to recognize the contribution of the main drivers of barangays—the barangay officials, in public service delivery and nation-building.

To address these concerns, this proposed measure to be known as the Magna Carta for Barangays seeks to: 1) declare barangay officials as regular government employees and provide them benefits and privileges regular government employees may be entitled to; 2) promote the welfare of the barangay through the provision of basic utilities and services; and 3) promote genuine and meaningful local autonomy, through provision of appropriate measures such as automatic release of share from national taxes, and mandatory share of barangays in taxes, fees and other charges, among others.

My husband, former Congressman Gus Tambunting, was a co-author of a version of this measure filed in the House during the 17th Congress. I acknowledge Senate Bill No. 2148 (17th Congress) which served as my basis for this version. Let us work together to make our barangays efficient and effective at the service of the Filipino people.

On behalf of the people of Parañaque City’s Second District, and for the common good of the Filipino people, the approval of this measure is earnestly sought.
