Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Batasan Hills, Quezon City  
Eighteenth Congress  
First Regular Session  
HOUSE BILL No. 4291  

Introducing by HONORABLE PABLO C. ORTEGA  

EXPLANATORY NOTE  

This bill seeks to classify the San Fernando Bypass Road and the San Fernando Bypass Road Extension, located in the Province of La Union, as national roads and for the appropriation of funds for their repair, improvement and maintenance.  

Being the regional capital, the City of San Fernando is host to the national government agencies and offices as well as numerous business, trade, financial and educational establishments. As such, a multitude of people and motorists travel to and from nearby towns and municipalities on a daily basis. The growing economic activity caused the congestion and heavy traffic particularly in the national highway – Manila North Road (MNR), which traverses the City proper.  

The opening, construction and completion of the San Fernando Bypass Road and the San Fernando Bypass Road Extension serve as alternate routes for motorists and diverted traffic of those going up north to Ilocos Sur, Abra, Ilocos Norte and even to Cagayan and those going down south to Pangasinan on to Manila without having to pass through the MNR.  

Declaring the San Fernando Bypass Road and San Fernando Bypass Road Extension as national roads and thereby allowing the appropriation of funds from the national government for its regular maintenance and repair would formalize its status as a national road and would pave the way for faster flow of services and movement of goods.  

In view thereof, the passage of this bill is earnestly requested.  

PABLO C. ORTEGA
AN ACT
CLASSIFYING THE SAN FERNANDO BYPASS ROAD AND SAN FERNANDO
BYPASS EXTENSION ROAD IN THE PROVINCE OF LA UNION, INTO
