HOUSE BILL NO. 4325

Introduced by REP. FAUSTINO ‘INNO’ A. DY V

EXPLANATORY NOTE

Our public school teachers are the heart of our country’s public education system. They are responsible for molding the minds of young Filipinos in whose hands the future of our country depends. Their important role in society, however, is not properly compensated. They are greatly underpaid given their heavy workload.

This bill seeks to address this situation by raising the minimum salary grade level of teachers from the current Salary Grade 11 to Salary Grade 19. The objective of the measure is to properly compensate our public school teachers and to incentivize the best and brightest graduates from top universities to be part of our public education system. This way we can ensure quality education for every Filipino student.

The Department of Education (DEPED) and the Department of Budget and Management (DBM) shall take lead in promulgating the implementing rules and regulations.

In view of the foregoing, the approval of this bill is earnestly sought.
