HOUSE BILL NO. 4384

Introduced by Representative Divina Grace C. Yu

EXPLANATORY NOTE

This bill seeks to establish separate schools division offices in the First (1st) District and Second (2nd) District of the Province of Zamboanga del Sur. Currently, Zamboanga del Sur Schools Division Office, which is located at Pagadian City caters more or less ten thousand teachers from twenty six (26) municipalities.

Given the size of the Province and the location of the lone Schools Division Office from other municipalities, an establishment of offices strategically located in the Province would support the operational activities of the Department of Education. In this way, all of the schools would be administered efficiently.

None other than the 1987 Constitution declares that "The State shall establish, maintain, and support a complete, adequate, and integrated system of education relevant to the needs of the people and society."

My continuing desire to enhance the quality of education in the Province would start from helping the administration of the Department of Education boost their capabilities as an institution.

In view of the foregoing, the approval of this measure is earnestly sought.

HON. DIVINA GRACE C. YU
