HOUSE BILL NO. 4486

Introduced by Honorable Michael L. Romero

EXPLANATORY NOTE

The state recognizes the importance of television programs designed for and marketed to children, normally scheduled for broadcast during the morning and afternoon when children are awake. They can sometimes run during the early evening, allowing younger children to watch them after school.

This Children television shows can target a wide variety of key demographics; the programming used to target these demographics varies by age and gender. Some television networks target infants and toddlers under two years of age.

Other Children shows can be targeted toward persons 2 to 11 years of age, this is further divided into the preschool demographic (2 to 6 years old) and the older children or preteen demographic (6 to 11 years old).

This House Bill seeks to entertain and to educate the children of our society, thru the use of media-television oriented approach.

Thus, the early passage of this bill is earnestly requested.
