EXPLANATORY NOTE

Micro, small and medium enterprises (MSMEs) comprise 99.57% of all businesses in the country, employ 63% of the total labor force and contribute 35% to total value added.

President Rodrigo Roa Duterte acknowledges the importance of MSMEs to the country’s economy. In the 13th ASEAN Business and Investment Summit, President Duterte declared that the economic thrust of the Philippines will focus on innovating MSMEs, among others. Moreover, in his 2019 State of the Nation Address, he stated that the government will further implement programs and extend financial support to MSMEs.

The Magna Carta for MSMEs (Republic Act No. 6977, as amended by Republic Act No. 8289 in 1997 and Republic Act No. 9501 in 2008, and further amended by Republic Act No. 10644 in 2014) defines the national policy to promote, support, strengthen and encourage the growth and development of MSMEs. This law needs to be reviewed and amended, when necessary, to make it more responsive to the current requirements of the MSME sector.

In the 17th Congress, the amendatory bill to the Magna Carta for MSMEs was approved on Third Reading by the House of Representatives as House Bill No. 8714. Among the salient provisions of House Bill No. 8714 are the following:

- Expansion of the membership of the Micro, Small and Medium Enterprise Development (MSMED) Council, the Advisory Unit and the Small Business Corp. (SB Corp.);
- Submission of an annual report by the SB Corp. to the MSMED Council, the Congress of the Philippines and the Governance Commission for GOCCs (GCG) on the performance and financial condition of the corporation;
- Deletion of the provision subjecting the SB Corp. to the supervision and examination of the Bangko Sentral ng Pilipinas, and exempts the SB Corp. from securing prior BSP authorization for engaging in quasi-banking activities;
- Provision by the National Government for the full capitalization of the SB Corporation within a period of five (5) years from the approval of the Act;
- Extension to another ten (10) years of the implementation of the mandatory allocation of credit resources by the banks for MSMEs; and
• Increase in the penalties for non-compliance of the banks with the mandatory lending.

The aforementioned provisions of House Bill No. 8714 are embodied in this bill, together with the following additional amendments:

• Change in the name of the Small Business Guarantee and Finance Corporation (which was created by Republic Act No. 6977) to Small Business Corporation; and
• Deletion of the function of the SB Corporation of guaranteeing loans obtained by qualified MSMEs.

The additional amendments are in view of the fact that, by virtue of Executive Order No. 58 issued in July 2018, the guarantee functions, programs and funds of the SB Corp. have been transferred to the PhilEXIM, which has been re-named as the Philippine Guarantee Corporation.

The immediate passage of this bill is earnestly sought.
