EIGHTEENTH CONGRESS
First Regular Session

House Bill No. 4576

Introduced by Representative Sol Aragones

EXPLANATORY NOTE

The Overseas Filipino Workers (OFWs) has been referred to as modern-day heroes. They have contributed much to improve the living conditions not only their families but also contributed greatly to the nation’s economy. Their remittances make up nearly ten percent of the Philippine gross domestic product. That is the very reason why they are considered one of the pillars of the new Philippine economy.

In 2018, the Commission on Filipinos Overseas (CFO) estimated that approximately 10 million Filipinos worked or resided abroad. Of this figure, the Philippine Statistics Authority (PSA) estimates that roughly 2.3 million are overseas workers.

The contribution of the Filipinos working overseas to the Philippine economy is considerable. Their remittances significantly contribute to the country’s gross domestic product, and their role in keeping the economy buoyant is indisputable. Based on the figures provided by the World Bank, the cash remittances in 2018 sent by Overseas Filipino workers (OFWs) amounted to $33.8 billion.

This bill seeks to create a department in our government that is dedicated to the task of addressing issues of our Overseas Filipino Workers and coordinate the delivery of services of all these agencies dealing with OFWs, study all the problems of our workers abroad and find solutions to their problems. A separate department for OFWs is necessary because OFWs have their own unique concerns that pertain only to their sector.

In view of the foregoing, the immediate passage of this bill is earnestly sought.

e) The State recognizes non-governmental organizations, trade unions, workers associations, stakeholders and similar legitimate entities as partners of the State in the protection of Filipino migrant workers and in the promotion of their welfare. The State shall cooperate with them in a spirit of trust and mutual respect. The significant contribution of recruitment and manning agencies shall form part this partnership.

f) While recognizing the positive contribution of international migration in raising living standards of vast numbers of our people and the significant contribution of Filipino migrant workers to the national economy through their foreign exchange remittances, the existence of the overseas employment program rests solely on the assurance that the dignity and fundamental human rights and freedoms of the Filipino citizens shall not, at any time, be compromised or violated. The State, therefore, shall continuously create local employment opportunities and promote the equitable distribution of wealth and the benefits of development;

In this regard, it is imperative that an effective mechanism be instituted to ensure that the rights and interest of distressed overseas Filipinos, in general, and Filipino migrant workers, in particular, whether
regular/documented or irregular/undocumented, are adequately protected and safeguarded;

i) The right of Filipino migrant workers and all overseas Filipinos to participate in the democratic decision-making processes of the State and to be represented in institutions relevant to overseas employment is recognized and guaranteed; and

j) The State recognizes that the ultimate protection to all migrant workers is through responsible migration and the possession of marketable skills.
