Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 4731

Introduced by Rep. Precious Hipolito Castelo

EXPLANATORY NOTE

The fundamental law, in Section 15 of Article II of the 1987 Constitution on State policies, has this stated: “The State shall protect and promote the right to health of the people and instill health consciousness among them.”

Indeed, health care is probably the most basic services that the government should provide inasmuch as a health people and a health nation do come together.

In fact, in Section 11 of Article XIII, ‘adopting an integrated and comprehensive approach to health development to make essential goods, health and other social services available to the people at affordable cost’ is one of the government’s few primordial objectives.

In this light, we deem it high time that the Batasan District Hospital be hereby established for Quezon City’s varied health needs and problems.

The immediate passage of this measure is then earnestly sought.
