HOUSE BILL NO. __

Introductory by Representative Michael L. Romero

EXPLANATORY NOTE

The incidence of heart diseases in the country and elsewhere has become widespread, causing economic dislocation and curtailing the enjoyment of normal active and productive life, it is a mandate of the State to secure the well-being of the people by providing them specialized health services.

The State shall assist and provide material and financial support in the establishment and maintenance of a Heart Center, primarily to benefit the people of the Philippines, and further enhance the noble undertaking of research in heart and associated diseases.

This House Bill seeks to create the Clark Heart Center, to foster specialized medical services, to promote training of medical and technical personnel for the prevention and treatment of heart and associated diseases.

Thus, the early passage of this bill is earnestly requested.
