HOUSE BILL NO. ___

INTRODUCED BY REP. MAXIMO, JR. Y. DALOG

EXPLANATORY NOTE

The Bill seeks to convert the Poblacion—Bantay—Buringal—Isabela Road, presently classified as a provincial road into a national road.

The above-stated road starts at Barangay Poblacion and traverses Barangays Bantay and Buringal all in the municipality of Paracelis and exits in the municipality of Quezon, Isabela.

At present, the sitios of barangay Buringal, namely: Makilo, Bangad and Catao can only be accessed through Tabuk City in Kalinga Province which would take several hours to traverse since the road conditions are very poor. Worse, the residents in the area have to cross the river by foot when the water level of the Mallig River is lofty. In addition, during typhoons or rainy seasons, when the Mallig River swells, the nearest place of commerce which the residents in the area can access, to bring their agricultural produce is the municipality of Quezon, Isabela through the use of manual boats.

The possibility of isolation of these communities during calamity is also very high because of very poor road conditions and lack of bridges connecting the sitios of Makilo and Catao and the provinces of Mountain Province and Isabela.

With the conversion of the above-stated road, resulting to the sustained maintenance of the road, the residents of Paracelis need not pass through Tabuk City, Kalinga Province in order to reach the other parts of Barangay Buringal nor have their agricultural products perish by having the access to the municipality of Quezon, Isabela.

The sustained maintenance of the road will definitely enhance the socio-economic amelioration of the people using the same and the communities traversed.

In view of the foregoing consideration, approval of this earnestly urged.
