AN ACT
PROVIDING A BAN ON DUMPING OF SEWAGE SLUDGE AND INDUSTRIAL WASTE INTO THE SEA

EXPLANATORY NOTE

The Philippine Constitution under Article II Section 16 provides that the State shall protect and advance the right of the people to a balanced and healthful ecology in the accord with the rhythm and harmony of nature.

The rampant dumping of wastes in the seawaters and other bodies of water clearly affects the marine life which also affects the livelihood of our fellow citizens who rely on it for sustenance. The purpose of this bill is to provide protection for our marine and aquatic life and resources by penalizing the act of dumping of wastes into the sea waters.

In view thereof, the early passage of this proposed measure is highly recommended.
