HOUSE BILL NO. 5010

Introduced by Hon. Julienne "Jam" L. Baronda

EXPLANATORY NOTE

This bill seeks to convert Del Carmen Street in Iloilo City, presently classified as a local city road, into a national road.

The road spans a total length of 283.80 linear meters and is located at the Jaro District of Iloilo City. Del Carmen Street is widely used by motorists and commuters in my Congressional District to access several major shopping centers, such as Robinson’s Mall and SM Hypermarket. It is also used as an access route to the renowned Jaro Cathedral, Jaro Plaza and the Old Municipal Building (National Museum). The road’s heavy traffic and importance to local tourism and the local economy merit its conversion into a national road.

In view of the foregoing, I highly recommend the approval of this bill.
