First Regular Session

HOUSE BILL NO. 5021

Introduced by Representative Michael L. Romero

EXPLANATORY NOTE

The State recognizes the importance of establishing Hospitals, that is devoted primarily to the maintenance and operation of facilities for the diagnosis, treatment and care of individuals suffering from illness, disease, injury or deformity, or in need of obstetrical or other medical and nursing care.

More so government hospitals are operated and maintained either partially or wholly by the national, provincial, municipal or city government or other political subdivision, department, division, board, institution and other related agency.

Furthermore Private hospitals, shall be established and operated with funds raised or contributed through donations, or by private capital or other means, by private individuals, association, corporation, religious organization, firm, company or joint stock association.

This House Bill seeks to create stiffer standards in hospital licensure, construction and operation.

Thus, the early passage of this bill is earnestly requested.
