EIGHTEENTH CONGRESS
REPUBLIC OF THE PHILIPPINES
First Regular Session

HOUSE OF REPRESENTATIVES

House Bill No. 5241

Introduced by Representative VICTOR A. YAP

EXPLANATORY NOTE

Article II, Section 9 of the Constitution states that:

"The State shall promote a just and dynamic social order that will ensure the prosperity and independence of the nation and free the people from poverty through policies that provide adequate social services, promote full employment, a rising standard of living, and an improved quality of life for all."(Article II, Section 9)

Following this Constitutional mandate, Presidential Decree No. 851 was enacted to require all employers to provide for an additional 13th-month Pay, equivalent to a one-month basic salary to all rank-and-file employees before the end of each calendar year.

The mandatory 13th-month Pay is intended to improve the purchasing capabilities of the working citizens who look forward to receiving it, especially for the celebration of Christmas and New Year seasons. More importantly, this measure acts as both a recognition of the struggle of the labor force, as well as an incentive for them to continue their tireless hard work for the economy and the development of society.

Under the current law\(^1\), the 13th-month Pay is excluded from gross income and is thus exempted from taxation. However, such law provides a cap for the tax exemption to the amount of ninety thousand pesos (P90,000.00). In other words, the 13th-month Paybenefit is subjected to taxation if the basic salary received by an employee is more than the mentioned qualification.

Thus, this bill seeks to exclude the 13th-month Pay from the computation of taxable income and therefore provide the full, just and equitable monetary benefit of a 13th-month pay in promotion of the well-being of all the workers in our country.

In view of the foregoing, the immediate passage of this bill is earnestly sought.
