Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

EIGHTEENTH CONGRESS  
First Regular Session  

House Bill No. 5281  

Introduced by Rep. ANGELO MARCOS BARBA  
2nd District, Ilocos Norte  

EXPLANATORY NOTE  

Sports has always been an important part of Philippine culture. Not only is sports considered an avenue for leisure, but also an opportunity to showcase and develop skill, talent, and intellect. For some, it has been considered as a livelihood. It is, therefore, unfortunate that there are people who would take advantage of it for their own selfish interests.  

In 1970s, Philippines sports experienced one of the major game-fixing controversies when Crispa lost to Mariwasa. This kind of controversy continues to hound both professional and amateur basketball leagues. In the late 2000s and early 2010s, several players of the FEU Tamaraws Men’s Basketball Team were accused of being involved with syndicates as one their prominent players survived a hit from a syndicate.  

This year, game-fixing allegations have surfaced again involving a PBA D-league team during a summer league do-or-die quarterfinal match. Seven players were sacked. Unfortunately, people behind these alleged game-fixing have not been caught and prosecuted.  

Clearly, sports development and sports itself are gravely affected by these controversies. Thus, legislation is needed to provide stiffer penalties and redefine the crime of game-fixing to ensure the sanctity of fair play, competition, and sportsmanship in Philippine sports.  

In view of the foregoing, the passage of this bill is earnestly sought.
