EIGHTEENTH CONGRESS  
First Regular Session  

House Bill No. 5286  

Introduced by: Representative Manuel Jose M. Dalipe  

EXPLANATORY NOTE  

Article XIV, Section 1 of the Philippine Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make education accessible to all. Likewise, Section 2 of the Constitution mandates the State to establish and maintain a system of free education in the elementary and high school levels.  

Education is the most basic social service that the government can provide its citizenry. It is an essential requisite for economic growth and the key to nourishing secure, healthy and productive individuals. This measure, which seeks to establish a National High School in Barangay Tigtabon in Zamboanga City, to be known as Tigtabon National High School, is a vital step toward this direction.  

In view of the foregoing reasons, approval of this bill is earnestly sought.
