House Bill No. \_\_\_\_\_

**AN ACT ESTABLISHING A TECHNICAL EDUCATION AND SKILLS DEVELOPMENT AUTHORITY (TESDA) TRAINING AND ASSESSMENT CENTER IN THE MUNICIPALITY OF LABO, CAMARINES NORTE, TO BE KNOWN AS LABO TESDA TRAINING AND ASSESSMENT CENTER AND APPROPRIATING FUNDS THEREFOR**

**EXPLANATORY NOTE**

This bill seeks to create a training and accreditation center of Technical Education and Skills Development Authority (TESDA) in the municipality of Labo, Camarines Norte.

The Municipality of Labo is the biggest municipality in the 1<sup>st</sup> Congressional District of Camarines Norte and the largest town in the whole province with a total land area of 589.36 square kilometers and a population of 101,082 as of 2015 Census. It also has 52 Barangays.

The increasing number of students who wishes to avail of TESDA education in Camarines Norte particularly in the 1<sup>st</sup> Congressional District impels this humble representation to seek passage of this measure. While there is a Provincial TESDA training Center in Daet, it will be more beneficial for constituents of the 1<sup>st</sup> Legislative District to have its own training and assessment center in the municipality of Labo so that they would not need to travel far in order to access training and assessment facilities of TESDA.

The TESDA District Training and Assessment Center will also cater the needs of the other municipalities in the 1<sup>st</sup> District who presently does not have their own respective training centers.

In view of the foregoing, the passage of this bill is earnestly sought.
