HOUSE BILL NO. 5381

Introduced by Representative Lucy Torres-Gomez

EXPLANATORY NOTE

Among the state policies in the 1987 Philippine Constitution is the one enunciated under Section 24 thereof, to wit: “The State recognizes the vital role of communication and information in nation-building.”

The broadcast media plays a crucial role in the formation of an enlightened citizenry, in the over-all development of society and in the protection of national welfare and security. It creates public awareness inasmuch as it is engaged in information dissemination on matters of public concern. Citizens, whose opinions are enriched via mass media, are therefore empowered to actively participate in the national and local discourse. These are the requisites of a strong and stable democratic polity.

On the moral side, it has been said that mass media is uniquely placed in a position where it can “comfort the afflicted and afflict the comfortable” in our society.

This bill grants a franchise to Ugmok Bay Broadcasting Network Corporation to construct, install, establish, operate and maintain radio and television broadcasting station(s) anywhere in the Philippines, with its base of operations located in the City of Ormoc, Province of Leyte. Ugmok Bay Broadcasting Network Corporation promises to be an advocate of responsible media, a purveyor of truth, an agent of change and a partner of society in the pursuit of its developmental aspirations. Finally, the approval of this franchise is expected to further promote healthy competition among the present players in the airwaves.
In view of the foregoing considerations, the early approval of this bill is earnestly requested.
