EXPLANATORY NOTE

This bill seeks to prescribe the display, selling, promotion and advertising of alcoholic beverages and beverages that contain alcohol in all convenience stores, supermarkets, hypermarkets, groceries and other food retailing stores.

The health of the people being a primordial concern of the State is the raison d'être of this proposed measure. Products that are sold to the public, especially those that pose risks to the health of the people such as alcohol and cigarettes, must be disposed to the public in a manner that is regulated by the State.

At present, there is no law which prescribes how alcoholic beverages and beverages that contain alcohol are to be displayed, sold, promoted and advertised in convenience stores, supermarkets, hypermarkets, groceries and other food retailing stores. As alcoholic beverages and beverages that contain alcohol pose risk to the health of our people, it is submitted that legislation in this respect is needed.

In view of the foregoing, the early passage of this bill is earnestly sought.
