EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 5433

Introduced by Hon. John Marvin “Yul Servo” C. Nieto

EXPLANATORY NOTE

This bill aims to strengthen the Technical Education and Skills Development Authority by upgrading it into a department from an authority thereby amending RA 7796, otherwise known as TESDA Act of 1994.

Pursuant to the law creating TESDA, the authority is mandated to carry out the government efforts in providing relevant, accessible, high quality and efficient technical education and skills development of Filipinos in pursuit to empowering them towards self-actualization.

Twenty-five (25) years since their creation, TESDA has become the leading authority in ensuring that technical education and skills development (TESD) is relevant, efficient, accessible, and of high quality. However, the agency has been facing enormous challenges due to changes in the local and global environment that the organization needs to focus on. There are limitations to what TESDA can do which can be addressed if it will be elevated into a line Department of the government. TESDA must address the need for modern facilities and equipment in order to be at par with the requirements of the challenge posed by the onslaught of Industrial Revolution and other advancements that may happen in the future. It must also be bestowed with the police powers to impose sanctions and penalties to erring TESD implementers.

It is high time that the TESDA receive additional support from the government, considering their great contribution not just to our fellow Filipinos, but ultimately to the economy of the country.

As manifestation of support to the main proponents of this bill, the immediate passage of this bill is earnestly sought.

EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 5433

Introduced by Hon. John Marvin “Yul Servo” C. Nieto

AN ACT CREATING THE DEPARTMENT OF TECHNICAL EDUCATION AND
SKILLS DEVELOPMENT, DEFINING ITS POWERS AND FUNCTIONS,
REPEALING REPUBLIC ACT NO. 7796, OTHERWISE KNOWN AS THE
TESDA ACT OF 1994 AND APPROPRIATING FUNDS THEREFOR

Be it enacted by the Senate and House of Representatives of the Philippines in
Congress assembled:

SECTION 1. Short Title. — This Act shall be known as the “Department of
Technical Education and Skills Development (DTESD) Act of 2019.”

SECTION 2. Declaration of Policy. — It is hereby declared the policy of the
State to provide relevant, accessible, high quality and efficient technical
education and skills development in support of the development of high quality
Filipino manpower responsive to and in accordance with Philippine development
goals and priorities.

The State shall encourage active participation of various concerned sectors,
public as well as private technical-vocational institutions (TVIs) particularly
private enterprises, being direct participants in and immediate beneficiaries of a
technically educated and trained workforce, in providing technical education
services and training opportunities.

SECTION 3. Objectives. — The objectives of this Act are:

a) Promote and strengthen the quality of technical education and skills
development programs to attain global competitiveness and inclusive
growth;

b) Focus technical education and skills development on meeting the
changing demands for quality manpower particularly in support of the
development thrust of the country;

c) Encourage critical and creative thinking by disseminating the scientific
and technical knowledge base of manpower development programs;
d) Recognize and encourage the complementary roles of public and private institutions, enterprises, local government units (LGUs) and Civil Society Organizations (CSOs) in technical education and skills development;

e) Develop the capacities of stakeholders to participate in the planning and delivery of quality technical education and skills development systems;

f) Inculcate desirable values through the development of moral character with emphasis on work ethics, self-discipline, self-reliance and nationalism;

g) Strongly support the implementation of the Philippine Qualification Framework Act (R.A. 10968), the Ladderized Education Program (R.A. 10647) and the Dual Training System (R.A. 7686); and other laws, decrees and orders on education;

h) Maximize returns to the country’s investment in technical education and skills development through an efficient graduates’ employment facilitation program within the framework of the national employment service network system; and

i) Help in the poverty alleviation efforts by providing the marginalized and vulnerable segments of the country’s population access to income generating technical education and skills development opportunities.

**SECTION 3. Definition of Terms.** – As used in this Act:

a) *Apprenticeship* refers to the training within employment with compulsory related theoretical instruction involving a contract between an apprentice and an employer on an approved apprenticeable occupation;

b) *Apprentice* refers to a person undergoing training for an approved apprenticeable occupation during an apprenticeship agreement;

c) *Apprenticeship Agreement* refers to a contract wherein a prospective employer binds himself to train the apprentice who in turn accepts the terms of training for a recognized apprenticeable occupation emphasizing the rights, duties and responsibilities of each party;

d) *Apprenticeable Occupation* refers to an occupation officially endorsed by a tripartite body and approved for apprenticeable by the Authority;

e) *Dual Training System* refers to an instructional delivery system of technical and vocational education and training that combines in-plant training and in-school training based on a training plan collaboratively designed and implemented by an accredited dual system educational institution/training center and accredited dual system agricultural, industrial and business establishments with prior notice and advice to the local government unit concerned. Under this system, said
establishments and the educational institution share the responsibility
of providing the trainee with the best possible job qualifications, the
former essentially through practical training and the latter by securing
an adequate level of specific, general and occupation-related
theoretical instruction. The word "dual" refers to the two parties
providing instruction: the concept "system" means that the two
instructing parties do not operate independently of one another, but
rather coordinate their efforts.

f) **Ladderized education** refers to the harmonization of all education and
training mechanisms that allow students and workers to progress
between technical-vocational and higher education programs, or vice-
versa. It opens opportunities for career and educational advancement
to students and workers. It creates a seamless and borderless
education and training system that will allow transfers in terms of
flexible entry and exit between technical-vocational and higher
education programs in the post-secondary school educational system;

g) **Leading Technology Center** refers to centers that provide high quality
and efficient technical education, training and certification in support of
the development of high quality Filipino manpower responsive to and
in accordance with Philippine development goals and priorities;

h) **Learner** refers to persons hired as trainees in semi-skilled and other
industrial occupations which are non-apprenticeable. Learnership
programs must be approved by the Authority;

i) **Levy Grant System** refers to a legal contribution from participating
employers who would be beneficiaries of the program (often as a
percentage of the payroll) which is subsequently turned over or
rebated to enterprises offering employee training programs;

j) **Middle-Level Manpower** refers to those:
   i. who have acquired practical skills and knowledge through
      formal or non-formal education and training equivalent to at
      least a secondary education but preferably at post-secondary
      education with a corresponding degree of diploma; or
   ii. skilled workers who have become highly competent in their
      trade or craft as attested by industry

k) **Philippine Qualifications Framework (PQF)** refers to the national policy
which describes the levels of educational qualifications and sets the
standards for qualifications outcomes. It is a quality assured national
system for the development, recognition and award of qualifications
based on standards of knowledge, skills, and values acquired in
different ways and methods by learners and workers of a certain
country;
l) *Private Enterprise* refers to an economic system under which property of all kinds can be privately owned and in which individuals, alone or in association with another, can embark on a business activity. This includes industrial, agricultural, or agro-industrial establishments engaged in the production, manufacturing, processing, repacking or assembly of goods including service-oriented enterprises;

m) *Skill* refers to the acquired and practiced ability to carry out a task or job;

n) *Skills Development* refers to the process through which learners and workers are systematically provided with learning opportunities to acquire or upgrade, or both, their ability, knowledge and behavior pattern required as qualifications for a job or range of jobs in a given occupational area;

o) *Technical Education* refers to the education process designed at upper secondary and lower tertiary levels, aligned with the levels of the PQF, with the pathways to higher education through the credit transfer system based on learning outcomes aimed at preparing technicians, technologists, para-professionals and other categories of workers and/or entrepreneurs by providing them with a broad range of general education, theoretical, scientific and technological studies, and related job skills training;

p) *Trade* refers to any group of interrelated jobs or any occupation which is traditionally or officially recognized as craft or artisan in nature requiring specific qualifications that can be acquired through work experience and/or training;

q) *Trainee* refers to persons who are participants in a vocational, administrative or technical training program for the purpose of acquiring and developing job-related skills;

r) *Trainer* refers to persons who direct the practice of skills towards immediate improvement in some task;

s) *Training* refers to teaching or developing oneself or others, any skills and knowledge that relate to specific useful competencies;

t) *Trainer’s training* refers to training trainers aimed at developing the latter’s capacities for imparting attitudes, knowledge, skills and behavior patterns required for specific jobs, tasks, occupations or group of related occupations;

u) *User-Led* or *Market-Driven Strategy* refers to a strategy which promotes strengthened linkages between educational/training
institutions and industry to ensure that appropriate skills and
knowledge are provided by the educational system;

SECTION 4. Creation and Mandate of the Department of Technical
Education and Skills Development. – There is hereby created a Department
