AN ACT PROMOTING LOCAL GOVERNMENT EMPOWERMENT  
IN ORDER TO ACHIEVE INCLUSIVE DEVELOPMENT,  
AMENDING FOR THE PURPOSE SECTION 284  
OF REPUBLIC ACT NO. 7160, OTHERWISE KNOWN AS  
THE LOCAL GOVERNMENT CODE OF 1991  

EXPLANATORY NOTE  

Republic Act No. 7160 or the Local Government Code of 1991 (LGC) seeks to empower Local Government Units (LGUs) by giving them the authority to effectively formulate and implement their respective projects and programs by, among others, giving them a just share in the national taxes and empowering them to create their own sources of revenue.  

The share of the LGUs in national taxes is realized through the automatic and release of Internal Revenue Allotments (IRA) to each LGU. The IRA from the National Government enables the LGUs to fund their respective programs consistent with the national objective of effectively carrying out devolved functions.  

Aside from their right to a just share in national taxes, LGUs are also empowered under the LGC to create and broaden their own sources of revenue, by giving them, for example, the power to tax the transfer of real property ownership. However, many LGUs continue to suffer from limited fiscal resources, and thus, fail to adequately provide services and programs to their constituents. To date, many LGUs continue to rely on direct provision from the national government especially for programs and projects that contribute to local development.
To address the issue of scarce resources faced by many LGUs, this bill seeks to provide additional funding to LGUs by amending Section 248 of the LGC by increasing their share in the national taxes from forty percent (40%) to fifty percent (50%).

Given the abovementioned concerns, the immediate passage of this bill is earnestly sought.
