Republic of the Philippines  
HOUSE OF REPRESENTATIVES  
Quezon City  

Eighteenth Congress  
First Regular Session  

HOUSE BILL NO. 5674  

Introduced by Hon. Deogracias Victor ‘DV’ B. Savellano  

EXPLANATORY NOTE  

Republic Act No. 10591’s passage in 2013 delivered a comprehensive law to regulate firearms in the country but it also had stricter guidelines on securing a gun license and limited the number of firearms a person may own.  

The Philippine National Police Firearms and Explosives Office’s (PNP-FEO’s) records for 2018 showed that there were over 1.8 million registered guns distributed among 1.16 individuals and entities who have to renew their licenses to own and possess firearms (LTOPF), permit to carry firearms outside of residence or place of business (PTCFOR) and registration of firearms every two (2) years, one (1) year and four (4) years, respectively.  

There is now a need to reduce transactions with government agencies by providing for a longer period of validity for PTCFORs from one (1) year to two (2) years; and LTOPFs and registration of firearms from two (2) years and four (4) years respectively to a consistent five (5) years for both, as the present periods of validity of such licenses, permit and registration contribute to bureaucratic hindrances and red tape. This bill now seeks to fix the period of validity of PTCFORs from one (1) year to two (2) years amending Section 7; and LTOFPs and registration of firearms from two (2) years and four (4) years respectively, to a consistent five (5) years for both by amending Section 19 of RA 10591, unless sooner revoked or suspended. The LTOFP and registration of firearms’ validity is intended to be aligned with the the reckoning point of the birthdate of the applicant or licensee.  

Thus, the passage of this bill is earnestly sought.  

HON. DEOGRCIAS VICTOR ‘DV’ B. SAVELLANO  
1st Legislative District, Ilocos Sur
