Eighteenth Congress
First Regular Session

HOUSE BILL NO. 5676

Introduced by Hon. Cyrille “Beng” F. Abueg-Zaldivar

EXPLANATORY NOTE

This bill was previously filed by Representative Frederick F. Abueg as House Bill (H.B.) No. 6549 during the 17th Congress. It was referred to the House Committee on Public Works and Highways.

The proposed bill seeks to convert the provincial road passing through Barangays Sarong, Sandoval, Ocyan, Iwahig and Igang-igang in the Municipality of Bataraza, Province of Palawan, into a national road.

Due to the rapid increase of the population in Bataraza and economic expansion in these covered barangays, there is a necessity for the repair, maintenance and improvement of the roads therein. The conversion of these connecting roads into a national road would help our constituents maximize their earning capacity through mobilization, thus reducing poverty and promoting sustainable exchange of goods within Bataraza as well as among different municipalities in Southern Palawan.

Considering the great development in Barangays Sarong, Sandoval, Ocyan, Iwahig and Igang-igang, the conversion of these provincial roads into national roads would advance the trade of products and enhance the mobility of people in the area.

Moreover, most of the national roads in the Second District of Palawan are approaching project completion. Hence, we seek to convert more provincial roads into national roads to be included in the national government’s funding.

In view of the foregoing, the approval of this bill is earnestly requested.
