EIGHTEENTH CONGRESS
First Regular Session

HOUSE BILL NO. 5730

Introduced by Hon. John Marvin "Yul Servo" C. Nieto

EXPLANATORY NOTE

The senior citizen sector, despite their significant involvement and influence in local governance, does not have an appropriate representation in the local government. Many measures have been enacted for their benefit, but this representation believes that they are more than capable of fulfilling a role that in the decision-making of the local sanggunian. Furthermore, this representation believes that their involvement will lead to a more inclusive growth of the local government.

This measure seeks to mandate the representation of the senior citizen sector in all local legislative councils, from the barangay to the province. This representation believes that their insights, experiences, and wisdom will contribute greatly in the enactment of local ordinances and the various local government initiatives. It is also the hope of this representation to provide the senior citizen sector a voice by institutionalizing their participation in the local sanggunian.

In view of the foregoing, the approval of this measure is earnestly sought.
