HOUSE BILL NO. 5775

Introduced by Representative JOEY SARTE SALCEDA

AN ACT PROVIDING FOR A TWO (2)-DAY SPECIAL EMERGENCY LEAVE FOR ALL WORKERS IN THE PUBLIC AND PRIVATE SECTOR DIRECTLY AFFECTED BY NATURAL CALAMITIES OR DISASTERS

EXPLANATORY NOTE

The Philippines, situated in the “Pacific Ring of Fire” and the Pacific Belt, is vulnerable to various uncontrolled natural adversities that affect majority of our fellowmen. Our country is visited by an average of twenty to twenty-five typhoons that wreak havoc, endangers the lives of many, and destroy livelihoods and properties. Earthquakes and volcanic eruptions are also some of the natural catastrophes that continue to endanger our people.

Recognizing the said environmental consequences, the State, through our Constitution, is mandated to guarantee the rights to life, health, safety, and property of every Filipino. These challenges have become part of our lives, so it is necessary that all known precaution and compensation become warranted. The most vulnerable, most living in the typhoon-prone areas, coastal lanes and fault lines, made surviving a priority over living, breathing and improving one’s life.

Those exposed to threats have been forced to evacuate, to ensure the promise of zero casualty prior to the occurrence of the calamity. With this bill, we do not only provide help to Filipinos before and after a calamity, but also provide them few days of interval to facilitate the RECOVERY, RELIEF and a chance to REBUILD their homes from the ground up and take care of their families. This is to give them time to recharge and have their daily activities planned so they can move forward after facing the harsh reality of calamities.

In light of the foregoing, the passage of this bill is earnestly sought.
