EXPLANATORY NOTE

Article XIV, Section 1 of the Philippine Constitution provides that the State shall protect and promote the rights of all citizens to quality education at all levels and shall take necessary and appropriate steps to make education accessible to all. Likewise, Section 2 of the Constitution mandates the State to establish and maintain a system of free education in the elementary and high school levels.

Education is the most basic social service that the government can provide its citizenry. It is an essential requisite for economic growth and the key to nourishing secure, healthy and productive individuals. This measure, which seeks to establish a National High School in Barangay Curuan in Zamboanga City, to be known as Sapa Moro National High School, is a vital step toward this direction.

In view of the foregoing reasons, approval of this bill is earnestly sought.
