HOUSE BILL NO. 5996

Introduced by: HON. "KUYA" JOSE ANTONIO R. SY-ALVARADO

AN ACT FURTHER AMENDING SECTIONS 101 (A) (1) AND SECTION 169 OF PRESIDENTIAL DECREE NO. 612, OTHERWISE KNOWN AS "THE INSURANCE CODE", AS AMENDED BY REPUBLIC ACT NO. 10607

EXPLANATORY NOTE

Uncertain events and national security risks affect the National Economy. Investors are reluctant to put up industries since activists are active especially in the region of Mindanao. The Marawi Siege incident in 2017, aside from causing damage to infrastructure amounting around Php 11 Billion, also caused damages to an estimated amount of Php 6.6 Billion from investments and commercial activities.

The rising number of terrorist activities and rebellion expose our countrymen to wide forms of risks involving death, destruction of property, stoppage of livelihood among others. To address this contingency, this bill seeks to amend certain provision of the Insurance Code to include indemnity for loss due to terrorist and rebellion attacks. This will provide an economic security and an atmosphere conducive for investors and business and for the promotion of common good.

Hence, this proposal is submitted for consideration.
