AN ACT PROVIDING CAMPUS HOUSING TO TENURED FACULTY MEMBERS IN STATE UNIVERSITIES AND COLLEGES AND FOR OTHER PURPOSES

EXPLANATORY NOTE

Currently, some state colleges and universities in the Philippines provide housing for tenured faculty members. However, these individuals lose the privilege when they retire, resign or are terminated from the service. This situation gives rise to a heartbreaking situation where retired faculty members lose their “home” in their old age.

For example, in the University of the Philippines, retired employees are required to return the unit they are occupying within six months from their retirement from the University. This same policy is also existing in other state universities and colleges (SUCs), such as Mindanao State University, among others.

In order to remedy this situation, this bill mandates SUCs to provide in-campus housing to tenured faculty at affordable rental charges and in accordance with the criteria and standards set by the Board of Regents of the SUC. Qualified faculty members shall have the right to stay in in-campus housing units during their lifetime to ensure that they will be able to live comfortably in the home they grew accustomed to. This measure also seeks to protect them from inconveniences of looking for alternative housing and moving somewhere else during their old age.
In addition, in recognition of the fact that SUC in-campus housing may be limited, this bill also mandates SUCs to establish partnerships with the Department of Housing and Urban Development, Government Financial Institutions (GFIs), and other government agencies, to assist qualified beneficiaries in the rental and/or acquisition of off-campus housing and in the availment of soft loans for the acquisition of housing units outside of the premises of the university or college, respectively.

Lastly, this bill also mandates all SUCs to develop a Housing Development Program to ensure that tenured faculty members and other permanent personnel shall have affordable housing options, whether in-campus or off-campus.

The immediate passage of this bill is earnestly sought.
