AN ACT REQUIRING THE PROVISION OF INFANT-FRIENDLY FACILITIES IN GOVERNMENT AGENCIES AND OTHER ESTABLISHMENTS

EXPLANATORY NOTE

Parents with little children in tow often find it difficult to enjoy their food while eating out, especially if the food service establishment does not have child-friendly seats. In addition, they also have difficulty finding an appropriate place to change the diapers of their babies in public places.

This bill seeks to provide relief to these parents by requiring food service establishments to provide child-friendly seats, and for major establishments and all government offices to have at least one diaper-changing station in each floor of their establishment and/or offices. Major establishments include malls, shopping centers, theaters, movie houses, convention centers, sports arenas, auditoriums, cultural complexes, exhibition halls, permanent amusement parks, health facilities, restaurants that can seat 50 people or more, gasoline stations that have restrooms that are open to the public, and establishments measuring 25,000 feet or more.

Covered establishments are also given one year from the effectivity of this Act to comply with these requirements. Any establishment found non-compliant with the foregoing requirements shall be meted a penalty of Php2,000 per day of violation.

Requiring child-friendly seats in these establishments seeks to ensure that patrons of food service establishments will be free from worry and anxiety when their
children are present with them at these establishments. It also gives them comfort that they have an accessible place to go to when their children need to change.

Indeed, the passage of this bill is in accord with the Article 2 of the Consumer Act of the Philippines, which provides that "[i]t is the policy of the State to protect the interests of the consumer, promote his general welfare and to establish standards of conduct for business and industry" and to "implement measures... [for their] protection against hazards to health and safety [.]"

The immediate passage of this bill is earnestly sought.
