AN ACT
REQUIRING ALL FOREIGN NATIONALS WHO INTEND TO WORK IN
THE PHILIPPINES TO PRESENT AN EMPLOYMENT PERMIT PRIOR
TO THE ISSUANCE OF NON-IMMIGRANT VISA OR TEMPORARY
ADMISSION TO THE PHILIPPINES, AMENDING FOR THE PURPOSE
COMMONWEALTH ACT NO. 613, AS AMENDED, OTHERWISE
KNOWN AS THE PHILIPPINE IMMIGRATION ACT OF 1940

EXPLANATORY NOTE

The Philippine Constitution provides that the State shall develop a self-reliant
economy effectively controlled by Filipinos (Article 2, Section 19). It also provides that
the State shall promote the preferential use of labor and adopt measures to help them
become competitive (Article 12, Section 12).

Consistent with these policies, Article 40 of the Philippine Labor Code requires
any foreign worker seeking admission for purposes of employment in the Philippines
to secure an alien employment permit (AEP) from the Department of Labor and
Employment. The AEP can only be issued after a determination that there are no
Filipinos capable, able and willing to do the job for which the foreigner is being hired.

Meanwhile, in order to expedite the issuance of permits to foreigners who intend
to work in the Philippines for less than six months, the Bureau of Immigration (Bureau
or BI) issued AFFJr.-No.05-009 which exempted foreigners from getting an AEP if they
will only work in the Philippines for a period less than six months. In this case, they
shall only be required to secure a special working permit (SWP) from the Bureau. Compared to the issuance of AEP, the process of getting an SWP is less stringent.

According to DOLE, it has issued 115,652 AEPs from 2015 to 2017, while the BI has issued 185,099 SWPs in 2018 alone. Thus, it appears that there is a disproportionate number of SWPs issued by the BI compared to the number of AEPs issued by the DOLE.

This is especially alarming considering that the Bureau’s authority to issue work permits appears questionable. Section 9(a), Section 42(a)(32), and Section 42(a)(33) of Commonwealth Act No. 613, as amended (Philippine Immigration Act or BI Charter), relied upon by the Bureau as legal basis for its authority, do not give the BI clear authority to issue a work permit. Section 9(a) merely authorizes the BI to issue visa to foreigners who will come to the country for “business or for pleasure or for reasons of health,” while Section 42 merely allows the BI to collect fees.

This anomaly is even aggravated by the fact that in 2018, we discovered that the Bureau’s satellite office in SM Aura issues SWPs in one day, upon payment of an additional un-receipted fee Php5,000. In the mean time, during the deliberations of the proposed 2019 budget of the Bureau, when the BI was asked the process for the issuance of SWPs, it was unable to provide a clear answer.

These questionable practices have resulted in the increasing number of foreign workers in the country, some of whom were found to be illegally working here. In 2018, BI arrested close to 800 foreign nationals and deported 611 foreign nationals illegally working in the country.

This bill seeks to amend the Philippine Immigration Act to clarify the authority of the Bureau to issue work-related visa, permits and other visa issued to temporary visitors coming for business or those temporarily admitted to the Philippines. Towards this end, it clarifies that:

1) A temporary visitor admitted under Section 9(a) shall not be allowed to engage in activities or render services whether in an employment arrangement or otherwise, without an alien employment permit or a certification from the DOLE that there is no other Filipino capable, able and willing to do the job for which the foreigner is being hired, after conducting the appropriate labor market test, as appropriate;

2 December 11, 2018. Response letter from the Bureau of Immigration to the Office of Senator Joel Villanueva on SWPs issued to Foreign Nationals.
3 SECTION 9. Aliens departing from any place outside the Philippines, who are otherwise admissible and who qualify within one of the following categories, may be admitted as nonimmigrants:
(a) A temporary visitor coming for business or for pleasure or for reasons of health;
4 SECTION 42. (a) In addition to the documentary stamp required by existing law, there shall be collected and paid into the Philippine Treasury the following fees for services, as indicated, for aliens seeking to enter or remain in the Philippines under the provisions of this Act:
(32) Waiver of objection of exclusion under Section 29(b) - 100.00
(33) Petition for permit to work – 30.00
5 BI Operation Order No. JHM-2018-011 cited Section 9 and Section 42(a)(32) as basis for BI’s authority to issue work permits, while the draft Clarificatory Joint Guidelines of DOLE and BI on the issuance of work permits cited Section 42(a)(33).
2) An applicant for a pre-arranged employment visa must provide an AEP issued by the DOLE before such visa is issued by the Bureau;

3) All foreign nationals who intend to work in the Philippines, regardless of the period of employment, must secure an AEP from the DOLE or a certification that there is no other Filipino capable, able and willing to do the job for which the foreigner is being hired before he/she can be issued a non-quota immigration visa;

4) A foreigner applying for temporary admission under Section 29(b) of the BI Charter, who desires to engage in gainful employment in the Philippines must secure an AEP from the DOLE or a certification that there is no other Filipino capable, able and willing to do the job for which the foreigner is being hired before he/she can be temporarily admitted in the country;

5) The “Petition for Permit to Work” referred to in Section 42(a)(33) of the BI Charter is issued only in relation to an application for a pre-arranged employment visa under Section 9(g) of the BI Charter; and

6) A foreign national who is working in the Philippines without a valid work visa shall be punished with a fine ranging from Php500,000 to Php5 Million, in addition to imprisonment of not more than two years and deportation, if he is an alien.

The immediate passage of this bill is earnestly sought.
