EIGHTEENTH CONGRESS  
First Regular Session  

HOUSE BILL NO. 6483  

Introduced by: REPRESENTATIVE ARNULF BRYAN “ARNIE” B. FUENTEBELLA  

EXPLANATORY NOTE  

The purpose of education is to provide an individual with knowledge, skills, competence and desirable qualities of behavior to render him fit for the duties of life.  

Education is so important that it now has been enshrined in the Constitution mandating the state not only to make education accessible to all but to promote the right of all citizens to quality education.  

This bill seeks to convert the Denrica High School into the Denrica National High School with the end in view of promoting quality education as envisioned by the Constitution as the Municipality of Garchitorena does not have sufficient funds to support the needs of the school and its students. Due to this situation, the school and its students are currently suffering from lack of facilities, materials and qualified faculty. There is an urgent need, therefore to pass the burden to the national government if only to pursue the constitutional mandate of promoting the right of citizens to quality education.  

In view of the foregoing, the approval of this bill is earnestly sought.
