EXPLANATORY NOTE

The Mount Apo Science Foundation College, Inc. (MASFCI), formerly Mt. Apo Science Foundation School and Mt. Apo Science Foundation Junior College, is a private higher educational institution founded in 1959 and specializes in the field of agriculture. It particularly offers a CHED-recognized Diploma in Agricultural Technology (DAT) scholarship program for qualified less-privileged undergraduate students. All students enjoy free tuition and board at the college.

The Mount Apo Science Foundation College, Inc. is a non-sectarian, private non-stock, non-profit corporation with a campus located at Eden-Bayabas, Toril, Davao City and offices at C. Bangoy corner Palma Gil Street, Davao City.

The Corporation is divided into two (2) divisions, the Education Division, covering the academic programs and activities of the College, and the Broadcasting Division, which operates its radio network to augment the finances in operating the school.

The College’s radio network operates using the trade name Mt. Apo Broadcasting System (MBS). It is engaged in radio broadcasting by virtue of the passing of R.A. 8085 into law on July 6, 1995.
It presently operates three (3) FM stations and One (1) AM station in Mindanao:

Mt. Apo Broadcasting System was granted a Congressional Franchise on June 21, 1969 under Republic Act 5803 authorizing Mount Apo Science Foundation School, Inc. to establish, maintain and operate radio broadcasting and television stations in the Island of Mindanao. The privileges of the franchise and the establishment of radio stations, however, were not immediately realized due to broadcast restrictions brought about by the imposition of Martial Law in 1972. In 1975, radio operations commenced upon the transfer of DXUM-AM to MBS. In 1994, MBS applied for a new franchise filed by Hon. Elias B. Lopez. Said bill became a law on July 6, 1995 as R.A. 8085 to expire twenty five (25) years later.

Under R.A. 8085, MBSI established the following broadcasting stations, all currently in operation:

In order to retain the broadcasting privileges of the Mount Apo Science Foundation College, Inc., the approval of this bill is earnestly sought.
