AN ACT CREATING AN OCCUPATIONAL SAFETY AND HEALTH STANDARDS ACT (OSHA) FOR FILM, TELEVISION, AND THEATER INDUSTRIES OF THE PHILIPPINES

EXPLANATORY NOTE

Last June 8, 2019, actor, director, television and film legend Eduardo V. Garcia, or popularly known as Eddie Garcia, met an accident while filming for GMA 7. He suffered cervical cracks and fractures which resulted in him being in a comatose state for the next 12 days. Unfortunately, he died on June 20, 2019.

His death highlighted the lack of emergency and safety equipment and protocol during filming, and the importance of safety protocols on the set or workplace of any production sites or locations.
Under this bill, the film and television, and theater industries are required to provide a safe workplace for all its workers and employees. Workplace safety and health protocols shall be the primordial objective to eliminate personal injuries, illness or even death from occurring again inside the workplace.

Further, this Act aims to promote the general welfare of artists and workers, by setting a minimum working hour; mandating the coverage of SSS, PhilHealth and Pag-IBIG Fund membership; and acknowledging their right to self-organization.

In view of the foregoing, immediate approval of this measure is earnestly requested.
