Republic of the Philippines
HOUSE OF REPRESENTATIVES
Quezon City
EIGHTEENTH CONGRESS
First Regular Session
House Bill No. 6673

Introduced by HON. FRANCISCO G. DATOL, JR.

EXPLANATORY NOTE

It is the policy of the State to develop and guarantee a full, free and open party system in order to attain the broadest possible representation of party, sectoral or group interests in the House of Representatives. However, some of these marginalized sectors are deprived of this chance due to the issues on qualifications of nominees who seek to represent their group or organization. This is true especially in cases where a sectoral group or party-list has been proclaimed by the COMELEC, but whose rightful nominee or nominees have yet to be determined in accordance with the provisions of Republic Act No. 7941, also known as the “Party-List System Act”. While the COMELEC has been trying its best to resolve such issue of representation or leadership between or among the nominees of such sectoral group, still it cannot be that the interest or welfare of the general membership will suffer when the right of representation has been not been timely decided by the COMELEC in the exercise of its jurisdiction.

It is observed that the issue of rightful representation could be solved if certain provisions of RA No. 7941 will be clarified and amended, specifically the qualifications of the nominees of party-list. For instance, there are party-list nominees who, instead of seeking the best interest of their group, would rather promote their own interest by submitting a separate Manifestation of Intent to Participate (MIP) using the same party-list accredited by the COMELEC. Needless to state, it is ministerial on the part of the COMELEC to accept such MIPs, only to find out later that an earlier MIP has already been filed in accordance with RA No. 7941. Worse, some of these nominees were already declared by COMELEC as having lost their bid to represent the group, organization or party-list, yet are not barred from filing their MIP and list of nominees.

On account of these sad and unfortunate circumstances, it is but fitting that we look or revisit, if not amend the pertinent provisions of RA No. 7941, as proposed in this bill.

Immediate consideration and approval of this bill is most earnestly sought.

HON. FRANCISCO G. DATOL, JR.
