AN ACT PROVIDING FOR FIXED SALARIES OF BARANGAY OFFICIAL AND SUCH OTHER BENEFITS BEING RECEIVED BY REGULAR GOVERNMENT EMPLOYEES

EXPLANATORY NOTE

The important role of the Barangay Officials are yet again highlighted with much more clarity during the government relief efforts amidst the COVID-19 Pandemic. Certainly, they are one of the unsung heroes who are at the forefront of the fight in eradicating COVID-19.

However, despite the pivotal role that the Barangay Officials play, they appear to be improperly and inadequately compensated. It is high time that Congress should legislate law which will give our Barangay Officials just, proper and reasonable compensation.

This proposed legislation states that a punong barangay should get a salary equal to that of a sangguniang bayan member of his municipality or city, while sangguniang barangay members should receive a salary equivalent to a salary which is 3 salary grades lower than the punong barangay and the Sangguniang Kabataan (SK) chairpersons, barangay secretary, and barangay treasurer, to receive a salary equivalent to five (5) salary grades lower than the punong barangay.

The bill also recognizes the Barangay Officials as regular government employees, and as such, they are "entitled to fixed salaries, allowances, insurance, medical and dental coverage, retirement benefits and such other fringe benefits to which a regular government employee may be entitled to."

In view of the foregoing, the immediate approval of this measure is earnestly sought.
